JUNE 13 – JUNE 26

**The Grizzly**..... 12.75 / 23.95 / 28.95

This big, bad pizza starts with our housemade marinara, and mozzarella and provolone cheeses. Now, add something wild: Boar's Head Lebanon bologna, steak, and pepperoni. It ends with fresh red peppers, black olives, and pepperoncinis.

**The B.L.T. Pizza** ..... 10.75 / 19.95 / 25.95

Here's our twist on an American favorite. A light base of garlic oil to begin, then sprinkle on some mozzarella and provolone cheeses. Don't forget that crispy bacon, and into the oven it goes! Of course, this pizza isn't complete without shredded romaine lettuce and diced roma tomatoes. The final touch: a drizzle of our zesty cilantro-jalapeño mayo.

**Big Fat Greek Salad** ..... 7.25 / 11.75

Sunny days have us yearning for something fresh! We'll start with a bed of mixed greens and romaine, and toss them in our housemade Greek vinaigrette. Let's pile on the veggies: roma tomatoes, sliced red onions, cucumbers, kalamatas, and red peppers. Sprinkle on feta cheese, and add Boar's Head Sopressata sausage, and finish with a whole pepperoncini.

**Lemon Love**..... 5.95

Our favorite dessert is back! A moist lemon cake is filled with tangy lemon curd and topped with a rich lemon cream cheese frosting. A drizzle of blackberry coulis is the perfect touch. **Don't forget to check out our complete dessert list for seasonal specials!**
