The Grinch..... 11.75 / 21.95 / 26.95

The Whos of Whoville would love this pizza! We start with our housemade marinara and mozzarella and provolone cheeses. Then, we add pepperoni, reindeer sausage, fresh red peppers, and black olives. In the oven it goes, and quick as a wink, it's baked! What makes it complete? Why, a sprinkle of green onions and just like that, it's ready to eat!

Feliz Navidad..... 11.75 / 21.95 / 26.95

Tis the season! Our favorite festive pizza includes garlic oil and mozzarella and provolone cheeses, spinach, pecans, goat cheese, fresh jalapeños, and mandarin oranges. Once baked, we toss on a handful of diced fresh roma tomatoes and add a drizzle of sweet chipotle honey.

Sausage & Peppers Sandwich..... 11.95

Join in the song; let's all sing along! This fun oven-baked sandwich will have you singing in your seat! Italian sausage and pepperoni, a mix of sauteed onions, green and red peppers, mozzarella and provolone cheeses, and asiago cheese are baked into one of our famous hot sandwiches then topped with hot marinara, fresh parmesan cheese, and a sprinkle of oregano.

Pipeline Stout Cake..... 5.95

Our favorite dessert returns for the holidays! Creamy chocolate frosting surrounds a rich chocolate cake made with our own Pipeline Stout beer. We serve it warm with a dusting of powdered sugar.

Add ice cream for an additional \$1.75.

Cheesecake of the Month:

Candy Cane..... 5.95

We nestle a sweet peppermint swirled cheesecake in a decadent chocolate cookie crust then top it with whipped cream and crushed candy canes. What a perfect holiday treat!
