OCTOBER 17 – 29

The Oktoberfest 11.75 / 21.95 / 26.95

A pint and pizza: perfect! A base of stone ground mustard and mozzarella & provolone cheeses lead us to beer-infused bratwurst and roasted potatoes. Green cabbage and Swiss cheese go on next. We bake it, then add red cabbage and diced red onions.

Kansas City Kid 10.95

We stuff this sandwich with savory breaded chicken and pepperoni and rich fontina cheese. It's not done until we cook it, then smother it in hot marinara sauce. A sprinkle of parmesan and fresh basil, and we're ready to play!

Vampire Sticks..... 8.95

Even the undead feel the heat of our newest bread sticks! We start with a light brush of garlic oil. Diablo cheese blend adds zest; fresh chopped garlic and pepperoncinis add the zing. A little apricot sauce and some seriously spicy ghost pepper honey are on the side.

WARNING--The ghost pepper honey is no joke! Extreme heat lovers only!

M&M Cheesecake 5.95

Kids aren't the only ones who like candy--treat yourself with this fun dessert. We've folded M&Ms into a luscious vanilla cheesecake, then nestled it in a chocolate cookie crust. It's topped with a smooth chocolate ganache and a handful of M&Ms.

Seasonal Fruit Dessert: Dessert in a Cup 5.95

Remember Dirt in a Cup? We've made you the grown-up version! A creamy white chocolate mousse is smothered in cherry pie filling and crumbled brown sugar cookies, then topped with everyone's favorite: gummy worms!
