**Downward Spiral** ..... 11.75 / 21.95 / 26.95

Pasta on pizza? Oh yes! We begin with rich garlic cream sauce and mozzarella and provolone cheeses. Then we add juicy smoked ham, spiral pasta, broccoli, crimini mushrooms, cheddar cheese, and panko bread crumbs. After baking, we sprinkle diced roma tomatoes on top.

**The Banzai Chicken Ranch**..... 11.75 / 21.95 / 26.95

Try a fresh spin on our favorite Chicken Ranch pizza! We start with our spicy wasabi ranch sauce, then mozzarella and provolone cheeses. It's topped with sweet teriyaki chicken, crisp bacon, and cheddar cheese. We bake it, then garnish with green onions, sesame seeds, and a drizzle of zesty sriracha sauce.

**Shrimp Po' Boy Pizza** ..... 13.95 / 24.95 / 29.95

Mardi Gras is fast approaching; taste our take on a Louisiana favorite. This pizza starts off with a light garlic-olive oil base. Next we toss on some mozzarella and provolone cheeses, Boar's Head colby-jack cheese, and fried shrimp. We throw it in the oven, then garnish it with shredded romaine lettuce, diced roma tomatoes, green onions, and a drizzle of cajun remoulade. Let the good times roll, cher!

**White Chocolate Bombe** ..... 5.95

A white chocolate mousse is filled with a raspberry jelly and almond dacquoise, then smothered in a mirror glaze and garnished with bulls blood microgreens.

**Cheesecake of the Month:**

**Turtle Cheesecake** ..... 5.95

A fudgy brownie is baked then topped with a caramel pecan cheesecake. We finish this beauty with chocolate ganache, pecans, and a homemade salted caramel sauce.
