AUGUST 8 – AUGUST 21

Cheeseburger in Paradise..... 11.95 / 21.95 / 27.95

Heaven on Earth, we do agree! We'll start our favorite pizza with garlic oil and mozzarella and provolone cheese. It wouldn't be complete without cheddar and ground beef. Toss it in the oven! Now for some fun: add shredded lettuce, diced roma tomatoes and diced red onions, and our tangy housemade 1000 island dressing. What a carnivorous treat!

The New Yorker..... 11.95 / 21.95 / 27.95

Let's try something new! A base of marinara and mozzarella and provolone cheese is always a good place to start. Keep it simple: pepperoni and black olives next. Now throw on banana peppers, a sprinkle of chili flakes, and fresh mozzarella. Let this pizza bake, then toss on parsley at the end.

Curry Chicken Salad..... 13.95

A blend of chicken, raisins, pecans, onions, and celery are tossed in our zesty curry dressing, and served with a side of fresh baguette bread. **One size only.**

Flourless Chocolate Cake 5.95

Finish your meal with our decadent flourless chocolate cake, topped with coconut pecan frosting. Bonus: it's gluten-free!

Seasonal Fruit Dessert: Ginger Apple Crisp..... 5.95

Apples are always in season! We took tart Granny Smith apples and tossed them in sugar and ginger, then baked it under a yummy streusel topping.
