Pineapple Express 11.75 / 21.95 / 26.95

Get this pizza train rolling with our signature apricot barbeque sauce. Mozzarella and provolone cheeses are the next stop. It's a quick trip with so much freshness: red peppers, jalapeños, and pineapple. Blow the horn for some crispy bacon! It's baked! Green onions for the finish!

The Piñata 12.75 / 23.95 / 28.95

Take a swing at another favorite pizza! We begin with garlic oil and mozzarella and provolone cheeses. Don't forget cheddar. How about bacon and chorizo? Add pepperoncinis for a little kick. Toss it in the oven then throw on diced red onions and diced roma tomatoes. A sprinkle of cilantro and a lime wedge and we're done!

Reuben Sandwich..... 11.95

Our take on an East Coast classic: we stuff one of our oven-baked sandwiches with rich Swiss cheese, corned beef, and housemade sauerkraut. Each sandwich comes with shredded lettuce, red onions, and roma tomatoes. We didn't forget the 1000 island dressing; it's on the side.

Rococo Brownie..... 5.95

We've upped our dessert game: we made a yummy brownie with our Raspberry Wheat beer. Wait, we need some bling: let's top it sundae-style with a cute mini-ice cream ball, a drizzle of chocolate sauce, a dollop of whipped cream, and a sprinke of toasted coconut.
